SUMMARY

Operations leader with 18 years in financial services, running regional back-office and client servicing teams across Singapore, Hong Kong and India. Built and scaled operations functions through two acquisitions and a core banking migration.

EXPERIENCE

Head of Operations, APAC — Meridian Trust Bank

2019 - Present

- Run a 140-person operations team across 3 countries covering settlements, client servicing and reconciliation
- Led the core banking migration for 40,000 accounts with zero client-impacting downtime
- Cut average settlement turnaround from 3.2 days to 1.1 days by redesigning the exceptions queue
- Reduced operating cost per transaction by 22% over 3 years through process automation

Director, Client Operations — Meridian Trust Bank

2015 - 2019

- Built the client onboarding function from scratch, taking onboarding time from 14 days to 3 days
- Managed integration of a 60-person team following the acquisition of a regional custody business
- Owned the regulatory reporting relationship with MAS during 2 audit cycles, zero findings

Operations Manager — Straits Fund Services

2010 - 2015

- Managed fund administration for a \$2.1B AUM book across 30 fund structures
- Introduced a daily NAV exception dashboard that cut late NAVs from 8% to under 1%

Operations Analyst — Straits Fund Services

2007 - 2010

- Processed daily trade settlements and corporate actions for institutional fund clients
- Promoted twice in 3 years
